

HONORING FLORENCE SHUTSY-REYNOLDS AND THE WOMEN AIRFORCE SERVICE PILOTS

**HON. BILL SHUSTER**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 24, 2016*

Mr. SHUSTER. Mr. Speaker, I rise today to salute the service of Florence Shutsy-Reynolds, who served her country with great honor and distinction in World War II as a member of the Women Airforce Service Pilots (WASPs). The WASPs stepped up and answered the call of duty at a time when their country needed them most, with no expectation of praise or recognition.

When the U.S. military needed more male pilots, these women signed up to fly noncombat missions so that their male counterparts could be deployed in combat. Florence Shutsy-Reynolds was one of these brave women who stood up to serve her country.

When she was still in grade school in Dunbar, Pennsylvania, she told her parents she wanted to learn how to fly. Her parents laughed at the time, but in 1941, Shutsy-Reynolds became the first woman to earn her pilot's license at the local Connellsville airport. Not yet old enough to meet the minimum age requirement of 21, she wrote letter after letter to the director of the WASPs until the age requirement was lowered to 18 and she was permitted to apply. She then took the military oath, endured six rigorous months of training, and flew aircraft that were damaged in the war, at times pieces of her planes falling off mid-flight. These brave women flew more than 60 million miles, trained male pilots for combat, test piloted aircraft, and 38 gave the ultimate sacrifice to our country, perishing in the line of duty.

After the war ended, Shutsy-Reynolds remained committed to her comrades by helping lead the charge for WASP members to receive veteran status, and later, a Congressional Gold Medal. She also assisted with designing the WASP flag, which has 38 stars in memory of the 38 women who died serving our country.

Ms. Shutsy-Reynolds has never stopped advocating for the respect she and her fellow WASPs are due for their critical role in the war effort. Even to this day, at 92 years of age, Shutsy-Reynolds is still fighting for recognition and military benefits for the WASPs.

Mr. Speaker, Florence Shutsy-Reynolds and the Women Airforce Service Pilots truly lived in the wind and sand, with their eyes on the stars, and I thank them for their service to our country.

CELEBRATING THE COMMERCIAL BANK OF GRAYSON'S 125TH ANNIVERSARY

**HON. HAROLD ROGERS**

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 24, 2016*

Mr. ROGERS of Kentucky. Mr. Speaker, I rise today to commend the leaders of The Commercial Bank of Grayson on 125 years of financial service to the people of Carter County and the surrounding area.

The Commercial Bank of Grayson began business in early 1891, filling a void as Grayson had no financial institution. On May 1, 1891, the bank's first available statement of condition showed total assets of over \$15,000. The need for the bank and its acceptance by the community was demonstrated by its early success. The first cash dividend was paid to stockholders in 1894. Since that date, a cash dividend has been paid every year. No additional stock has ever been sold; increases have come through retained earnings.

Twenty-six local citizens invested in the original capital stock of the bank. Dr. John Wilson Strother was the principal stockholder and became the chairman of the bank's first Board of Directors and the bank's first president. He was also an active physician, farmer and lay preacher. Dr. Strother served as bank president until his death on January 8, 1935. Today, his great-great-grandson, Mark Strother serves as the bank's president and chief executive officer. This fifth-generation banker and his executive team works with a staff of 70 professionals whose top priority remains the same as it was in 1891—quality service for their customers and communities.

Since the bank began business during the term of Benjamin Harrison, it has served its customers continuously. The doors of The Commercial Bank have remained open through recessions, money panics, and the Great Depression. The Commercial Bank has continued to provide its customers with a wide array of financial services. Times have changed and so have the products desired by, and made available to, customers. The Commercial Bank has remained at the forefront of the financial industry's modernization in order to better serve current customers and attract new ones. Today, the bank remains independent and locally-owned, as well as being Grayson's second oldest business.

Mr. Speaker, I ask my colleagues to join me in celebrating the spirit of entrepreneurship, partnership, and achieving the American Dream. For 125 years, The Commercial Bank of Grayson has created jobs and supported local businesses in their effort to help make Carter County a better place to live. I commend the vision of the founders and those who continue to support the mission of this institution and their dedication to serve the people of Eastern Kentucky and the Appalachian region.

Mr. BARLETTA. Mr. Speaker, it is my privilege to honor Mr. John Lazarsky for receiving lifetime membership after his 50 years of involvement with the American Legion Post 473 in Freeland, Pennsylvania. The American Legion was chartered and incorporated by Congress in 1919 and has continually worked to advance core principles aimed at promoting the well-being of current and former service members, the communities in which they reside, and the next generation of patriotic Americans. John has time and again exemplified this spirit, and after 50 years of dedicated engagement, has become an integral part of Post 473's commitment to the service members, veterans, and civilians in my district.

After graduating from Freeland High School where he excelled as a two-sport athlete in basketball and baseball, John was drafted into the U.S. Army. John was stationed in Germany from 1964 to 1966, and upon his return to Pennsylvania, he joined Post 473. Having served at various levels within his local post, John knows firsthand the impact that the American Legion can have for service members and veterans. A strong sense of obligation to community, state, and nation are the underpinnings of all legionnaires, and John's service has provided innumerable contributions at each of these levels.

Mr. Speaker, it is with great admiration that I recognize Mr. John Lazarsky upon receiving lifetime membership in the American Legion Post 473 after 50 years of selfless engagement. The American Legion's success depends on active participation in the post and volunteerism in the community, both of which have been embodied by John's dedication to Post 473. I wish him all the best as he continues to work on behalf of all legionnaires and their communities.
